

The Invo® is a high-quality, ultra-high-performance street tyre that provides the perfect blend of style, performance and ride comfort.

RIM SIZE: 16 - 20 INCH
SERIES: 35 - 55
WIDTH: 225 - 315
SPEED RATING: V - Y

BEST FIT?

The Invo® has been specifically developed for the staggered sizing commonly found on luxury and high-performance vehicles, perfect for the Ford Falcon, Holden Commodore, Audi A-, S- or RS-models, Mercedes Benz A-, C- or S-classes and AMG variants, Nissan Skyline, Silvia, Stagea or GT-R, Subaru WRX, Liberty or Forester,

ULTRA-HIGH-PERFORMANCE LUXURY SPORT TYRE

HANDLING STABILITY

A solid centre rib provides continuous contact with the road to increase rigidity and stability. This race-inspired design helps keep you connected to the road during hard braking and acceleration.

DRY GRIP

The outer shoulder is made of large reinforced tread blocks that increase the amount of surface area contacting the road. This additional reinforced contact patch assists with dry performance and cornering.

RIGID INNER SHOULDER

A rigid inner shoulder increases the contact patch for better braking performance and stability.

WET TRACTION

Twin circumferential grooves effectively channel water away for outstanding performance in wet weather.

HIGH-PERFORMANCE COMPOUND

A silica-reinforced tread compound strengthens blocks to reduce tread flex for improved acceleration, handling and braking.

Tyre Size	Load Index/Speed Symbol	Tread Depth (mm)	Inflated Dimensions		Loaded Dimensions			Measuring Rim Width (in)	Approved Rim Widths (in)	Revs /km
