

The NT830 is a quiet, comfortable, ultra-high performance tyre capable of matching pace with active lifestyles and demanding drivers, whatever the weather or road.

RIM SIZE: 17 - 18 INCH
SERIES: 40 - 50
WIDTH: 215 - 235
SPEED RATING: W - Y

BEST FIT?

Offering traction and high-speed stability, the NT830 is perfect for the Holden Commodore, Cruze or Astra, Ford Falcon, Mondeo, Focus or Fiesta, Toyota Camry or Corolla, Mazda 2, 3 or 6 and any other small to large sedan, wagon or hatch seeking enhanced performance.

ULTRA-HIGH-PERFORMANCE COMFORT TYRE

ADVANCED TREAD PATTERN

An advanced asymmetrical design provides wide main grooves for water drainage between large, rigid tread blocks for responsive handling and excellent performance.

DRY STABILITY

Minimal groove area within the tread blocks increases rigidity to reduce flex, discouraging irregular tread wear while providing strong lateral stability and grip on dry surfaces.

WET PERFORMANCE

A functionally-innovative tread pattern effectively disperses water for excellent water drainage and impressive wet-weather performance.

IMPRESSIVE ALL-ROUNDER

Rigid shoulder blocks with multi-wave sipes provide additional biting edges while combatting uneven wear, with a variable pitch layout keeping noise to a minimum.

QUIET WALL TECHNOLOGY

Serration within the tread grooves eliminates howling pipe resonance noises by disrupting airflow.

NITTO

FUELED BY ENTHUSIASTS
